

WESTON ON THE GREEN PARISH COUNCIL

17th February 2025 Extraordinary Parish Council Meeting

Agenda Item 25.419.3:

B430 Speed Limit Reduction to 30mph Consultation and Application

1. Outline of Project:

Oxfordshire County Council have agreed to progress with an application and consultation with the aim of reducing the speed limit on B430 to 30mph (within village gates). The extent of the changes can be seen in the attached map.

2. Project Costs:

Initial Phase:

Formal Consultation and Legal Works - £3,840.00 + VAT

Proposed costs of installation:

Quotes by Oxfordshire County Council contractor in 2024:

Signing works - £4,659.08 + VAT

Lining works - Approx £800 + VAT

Total Proposed OCC Estimated Costs including consultation: £9,300 + VAT

Solar speed indicator signs (additional) – costs being obtained.

3. Parish Council Funding:

The Parish Council currently holds £10,000 in the Traffic Reserves Line to cover the application and signage/lining installation phases.

Funding support will also be discussed further again with Tritax Symmetry (developers of Siemens site off A41).

Approval for formal consultation and legal works to be requested, remainder to be discussed by the Council once plans and costs confirmed.

4. Resolution To Approve to progress with a speed limit application and consultation with Oxfordshire County Council to reduce the speed limit on B430 to 30mph at a spend of £3840.00 +VAT.
