## SOCIAL MEDIA & ELECTRONIC COMMUNICATION POLICY

The use of digital, social media and electronic communication enables Weston on the Green Parish Council to interact in a way that improves the communications both within the Council and between the Council and the people, businesses and agencies it works with and serves.

The Council has:

- a website [www.westononthegreen-pc.gov.uk](http://www.westononthegreen-pc.gov.uk)
- administration and editorial access to the Weston on the Green Parish Council Facebook Page and when required reposts the page on the Weston on the Green Village Facebook Group
- uses email to communicate.

### **Facebook**

The Parish Council Facebook page is used as a means of providing information to the village, but it is not set up for accepting comments or direct messaging the Council – the clerk should be contacted directly for any queries. The Clerk is the administrator for the page with Councillors as editors. This page is then either followed or reposted on the Weston on the Green Village Facebook Group to ensure the maximum number of residents see the information.

Communications from the Council will meet the following criteria:

- be civil, tasteful and relevant
- not contain content that is knowingly unlawful, libellous, harassing, defamatory, abusive, threatening, harmful, obscene, profane, sexually oriented or racially offensive
- not contain content knowingly copied from elsewhere, for which we do not own the copyright
- not contain any personal information
- if it is regarding official Council business, any posts by Councillors/Clerk will be moderated by any member of the Council and advice on content provided
- not be used for the dissemination of any political advertising.

Members of the public are requested to kindly be considerate and respectful of others and to refrain from personal attacks on anyone, including the Council members or staff.

Please do not include personal/private information in response to any Council social media posts.

Sending a message or posting via the Village Facebook Group will not be considered as contacting the Council for official purposes and we will not be obliged to monitor or respond to requests for information through these channels. Instead, please make direct contact with the Council's Clerk ([clerk@westononthegreen-pc.gov.uk](mailto:clerk@westononthegreen-pc.gov.uk)) and/or members of the council by sending an email or letter.

If required, the Parish Council will contact the administrators of the Weston on the Green Village Facebook Group regarding inappropriate content relating to the Parish Council posts and request for it to be removed.

The Council may, at its discretion, allow approved local groups to have and maintain a presence on its website for the purpose of presenting information about the group's activities. The local group would be responsible for providing the content to the Clerk who will ensure it is appropriate for the website before uploading it.
