Compliance status:

The Parish Council website was tested against the Accessibility Guidelines version 2.1 AA standard.

This website was partially compliant with the [Web Content Accessibility Guidelines version 2.1](#) AA standard.

The website has not been tested against the Web Content Accessibility Guidelines (WCAG) 2.2 AA standard and it can therefore only be stated that this website is not compliant with the [Web Content Accessibility Guidelines version 2.2](#) AA standard.

The 'non-compliances and exemptions' are listed below.

Non-accessible content

The content listed below is non-accessible for the following reasons.

- some of the older linked Word/PDF documents may not be fully accessible
- the 'Agendas & Minutes' page maybe difficult to navigate due to the same words being used as links e.g. agenda, minutes although dates have been added to improve this page

Non-compliance with the accessibility regulations

Not applicable

Disproportionate burden

The Parish Council are currently investigating options to develop a new council website via a new provider. The Council would ensure that the new website would comply with website accessibility standards 2.2 AA.

Content that's not within the scope of the accessibility regulations:

PDFs and other documents: some of our older PDFs and Word documents do not meet accessibility standards – for example, they may not be structured so they're accessible to a screen reader. As many documents as possible have been replaced.

The accessibility regulations do not require us to fix PDFs or other documents published before 23 September 2018 if they're not essential to providing our services. For example, we do not plan to fix agenda and minute documents from before this date (unless a request is received for a particular document).

Any new PDFs or Word documents we publish will aim to meet accessibility standards.

Navigation around Agendas & Minutes' page: some of the text within this page may be difficult to currently navigate due to the same words being used as links e.g. agenda, minutes.

The page has been re-worked in order to remove the repetitive wording and improve the navigation of the 'Agendas & Minutes' page however many duplicate words are unavoidable.

What we're doing to improve accessibility:

The Parish Council are currently investigating options to develop a new council website via a new provider. The Council would ensure that the new website would comply with website accessibility standards 2.2 AA.

Preparation of this accessibility statement:

This website was initially fully tested on 9th September 2020. The test was carried out by 123Connect.

We tested and amended each page on our main website platform, available at: www.westononthegreen-pc.gov.uk

Tests were carried out by an automated process: WAVE, AXE and backed up by Microsoft Accessibility Insight.

A further audit of the website to the WCAG 2.2 AA standard has not been carried out.
