

Chairs Report May 3rd, 2023

This is a key week in our history and yet the work of the Parish Council goes on! There is lots of excitement in the village regarding the events of May 6th and 7th with so many volunteers helping. The Village Hall is having a full day of events with the hall open for watching the coronation on the 'big screen' followed by a traditional afternoon tea. The Church Bell Tower will be open from 2-4pm and anyone is welcome to go and experience ringing one of the bells.

Following a special church service on Sunday morning, the Parish Council has invited villagers to gather at the village hall and parade to the playground. We have a vintage car and a piper plus our feature entertainer who will be stilt walking with the parade.

Once there, families can eat their picnics or buy some BBQ. A bar will be provided by Fuller's and organised by The Chequers. We're having a hiccup with the ice cream van but there will be so many cakes that no one will go without a sweet treat.

The vision for this event is that the parade and picnic provide an opportunity for villagers to meet one another and enjoyed our fairly newly acquired playing field. There are lots of games on offer and also a craft tent for children. Mostly, we want to have fun together and experience real village life.

A huge thanks to those of you who are able to help out on the day. Things are a tad stressful with last minute things to do but I'm sure that with a sense of humour and comraderie, all will be well.
