

WESTON ON THE GREEN PARISH COUNCIL

MINUTES

For the meeting of Parish Council, held in Village Hall on Wednesday 5th August 2026

Meeting Number 26.439

Note for information: Cherwell District Council – CDC, Oxfordshire County Council - OCC

Public Participation

There was nothing to note.

26.439.1 To Receive: Apologies for non-attendance

Councillors Bohm (DB), Miller (JM), Williams (DW) and Rowan (TR) were in attendance.

Councillor Aldridge sent his apologies due to illness, which were accepted.

Councillor Faltermeyer (Cherwell District Council) attended the whole meeting, whilst Councillor Gordon (Oxfordshire County Council) was not in attendance.

5 members of the public were in attendance, including two candidates for co-option onto the Council.

26.439.2 To Receive & Approve: Minutes of the Parish Council meeting held on 1st July 2026 (DB)

The minutes of the Parish Council meeting held on 1st July 2026 were discussed, with no changes required.

The resolution to approve the minutes for the Parish Council meeting held on 1st July 2026 was proposed by DB and seconded by DW. The motion was supported unanimously by the Council.

Action: Clerk to present minutes to Chair to sign, then file and upload to the web.

26.439.3 For Discussion and Resolution To Approve: Co-option of Parish Councillors to fill vacancies (DB)

Residents Anand Sinha and Mark Johnson were in attendance as potential candidates for co-option as Councillors onto the Parish Council. The candidates provided an introduction to themselves and the Councillors had the opportunity to ask questions.

There are currently three vacancies for Councillors which have previously been advertised.

The resolution to approve the co-option of both Anand Sinha and Mark Johnson as Councillors to Weston on the Green Parish Council was proposed by DB and seconded by TR. The motion was supported unanimously by the Council.

The Clerk provided the Declaration of Acceptance of Office forms for Anand Sinha (AS) and Mark Johnson (MJ) to sign. The form was completed and the Council welcomed Anand and Mark as Councillors.

Action: Clerk to provide Register of Members' Interests forms for Anand Sinha and Mark Johnson to complete and return.

Parish Council Meeting Minutes: 5th August 2026

Minutes Approved: Dated.....

26.439.4 To Receive: Declarations of Interest

Councillor Miller declared an interest in planning application 26/01267/F relating to OS Parcel 4658 - North of Shell Filling station and SW of The Chequers, OX25 3QH.

26.439.5 For Information: Chair report (DB)

DB highlighted that this is an important meeting for our Parish Council. She welcomed Anand and Mark as new parish councillors; it is a big step and we look forward to the important sharing of new ideas.

DB frequently refers to a crisis of identity in our changing village profile. Who are we as a village? What do we want to become? The only way to create community is to work within the community and learn more about our villagers – and our commercial enterprises. Little importance seems to be placed on some of the 60 plus businesses in the village – how can we involve them in village life and recognise them when they join in? Great examples are Axicon and The Manor Hotel. There are more examples but what we need is to reach out to businesses and get their view on their relationship to us and how this can develop. A deepened sense of community will be the result of this effort.

There is so much going on around us: growth, plans for growth, changes of governing structure and the accommodation that needs be part of this. It is a challenge for all councillors to keep up to date on these changes.

26.439.6 For Information: Clerk report (Clerk)

The clerks report to the Council was noted which confirmed the latest bank balances and payments received into the Parish Council bank accounts, including a VAT refund of £695.12 and a £48.00 refund payment from OALC for training which was not able to be undertaken.

The balances on the Parish Council two bank accounts on 30th July 2026 were:

- Community xxx114: £6,781.44
- Business Premium xxx629: £54,026.37

The clerk confirmed that the Council are awaiting the outcome of the grant application to OCC for a Community Transport grant.

The community van failed its MOT on 29th July 2026 due to the front tyres wearing on one side where they were not tracking properly. New tyres were fitted and the van passed its MOT on the re-test. Many thanks to Graham Barnett for organising the testing and new tyres and to Pete Thirtle Vehicle Services, Weston on the Green for carrying out the work with no charge. A thank you note will be sent.

The clerk confirmed that a VAT claim for £1,629.09 had been submitted to HMRC to cover the period 1st April 2026 to 30th June 2026 (Q1 FY 2026/2027).

The Church Lane road sign, which is coming away from the rotting backing board, has been reported to CDC and has been actioned to be fixed. The knocked 40mph and 20mph road signs on Church Lane/Bletchington Road had also been reported on Fix My Street.

The final audit report has now been received from the external auditor and the audit has been signed off. Documentation will be added to the September Parish Council meeting agenda for review.

Action: Clerk to add external audit report review to the September Parish Council meeting.

26.439.7 For Discussion: Playing field update and review of RoSPA annual playground inspection report and discussion over actions (Clerk)

The annual RoSPA playground inspection report undertaken by RoSPA Play Safety on 15th July 2026 and the actions summary were reviewed.

<i>Parish Council Meeting Minutes: 5th August 2026</i>	
Minutes Approved:	Dated.....

The clerk thanked DW for helping, in July, to add soil and grass seed around some of the surface edging at the playground which had aided the gaping. This will be monitored during the next few months.

JM was asked if he could investigate the far gate for a crushing/shearing point and check the fencing posts for repair requirements.

It was highlighted that the post on the multiplay-junior is decaying along with a post step on the multiplay-toddler. The clerk will enquire with the installers, Playdale, the cost of a replacement and potential timeframe.

Action: Clerk to enquire with Playdale regarding the cost of replacing a wooden post on the multiplay junior and a wooden step on the multiplay toddler.

Other items will be added to the inspection checklist for ongoing monitoring or identified for repair, upon investigation by JM.

Action: Clerk to add additional items to the playground inspection checklist for regular monitoring.

It was suggested that the woodwork would benefit from treatment to help it last longer.

A football team is potentially using the field on a Sunday during August; they would bring the players by mini bus and have been advised around parking issues and the state of the field.

26.439.8 For Discussion: Discuss recommendations from the Planning Group on planning applications (DB)

Building Applications

Decisions Received – Permitted:

26/00597/NMA Variation – Siemens OS Parcel 5700 South West of Grange Farm, Street through Little Chesterton

26/01320/F - Southview, Northampton Road

26/01321/LB - Southview, Northampton Road

26/01297/CLUE - Southfield Farm, North Lane

26/01526/F - Southfield Farm House, North Lane

26/01527/LB - Southfield Farm House, North Lane

Pending Applications:

26/01100/DISC - Siemens OS Parcel 5700 South West of Grange Farm Street through Little Chesterton. Siemens on “Endeavour Way”.

Travel Plan (includes car, bus, bicycle and walking).

It was noted that the focus is on the main road. We need to understand rat racing routes through the village and along the B430). Connections to Green Lane to be explored.

From July 2026 the relocation from Eynsham will involve @100 people. Between January 2027 – 2032 this will increase to 1,000. There is estimated to be @30 visitors per week and from January 2027, 15-20 delivery vehicles per week from 6am – 5pm.

The site can be accessed from Green Lane (going into Chesterton) plus major highways with a planned slip road on the A41/traffic filter for access to the site and to remove congestion from A41.

Parish Council Meeting Minutes: 5th August 2026

Minutes Approved: Dated.....

Other travel: pedestrian/cycle route on A41 to start from April 2027, relevant buses to have increased frequency, plan to encourage employees to decrease single car use – over time. Current staff at Eynsham will have increased travel time. Investigating food vans at site to reduce travel on local roads alongside bicycle repair kits and a garage.

DB to contact company directly regarding travel plans and potential impact on Weston on the Green.

New Applications:

26/01267/F - OS Parcel 4658 - North of Shell Filling station and SW of The Chequers part of A34 by Weston on the Green, OX25 3QH.

Part retrospective earth bund with native tree planting as new boundary treatment. Formation of hard standing yard to surround new agricultural building, approved under Appl: 24/03060/AGN (Prior Approval not required). Associated tree planting.

Notes: management of boundary of agricultural land

- Discussion with CDC about flood risk (no concerns) and 20 metres from the dry watercourse
- Hardstanding: reasonable for machines to access agricultural building
- Site will be used for: storage of materials, crops and machinery
- The biodiversity net gain rules do not apply as this is a retrospective application although soil from the cleared site is being reused for the benefit of local wildlife, birds and insects as well as small animal refuge and native trees will be used.

It was noted that the building will still be visible above bund due to heights involved.

See: Maps & Design and Access Statement

Recommend: Approve

26/01574/LB - Hazel Cottage, Northampton Road, OX25 3QX (Listed building consent)

Extend existing chimney stonework by 225mm and add new clay roll top pot.

Note: Location map & Design Statement

Recommend: Approve

26/01739/REM - Reynards Lodge, North Lane, OX25 3RG

Reserved matters to 224/00804/OUT. This is an Access (Construction Traffic Arrangement Plan), Layout (with part Drainage), Scale, Appearance, Landscaping, Biodiversity (with Construction Environment Management Plan).

This is a reserved matters application correcting issues raised by the Inspector at the Appeal the applicant lost.

Having read through the Appeal and the current application it is clear that the revision is better with bigger garden areas and better spacing. In terms of design, it was considered to be not that much better. It will be incongruous in the setting.

Comments are due by 20th August 2026.

Drainage was raised as a major concern by Councillors, particularly considering the four potential houses between Southfield Farm and Milestone Lane and the development behind the pond opposite. Concern was also raised around potential future issues with reliance on a management company (as witnessed at Milestone Lane).

Tree Applications:

New

26/01793/TPO – The Dower House, Church Road: TPO (tree protection order) 10/98/G1

5 sycamore trees are diseased and need to be removed as confirmed by Blue Monkey Trees of Middleton Stoney. Trees will be replaced.

Recommend: Approve

Decision by: 31/08/2026

Parish Council Meeting Minutes: 5th August 2026

Minutes Approved: Dated.....

PENDING – some of these have been completed but not registered on the CDC site as such:

26/00898/TCA - Westfield Farm, Shepherds Close

25/03295/TCA – Newby Cottage, Northampton Road

26/01226/TCA Williams Cottage, North Lane

Historic and Ongoing – Awaiting a Decision:

26/01450/TEL - Telecommunications Mast, Manor Farm

Upgrade electronic communications apparatus/development ancillary to radio equipment housing. Target Decision Date – 07/07/2026 (see map and info from June 2026 meeting).

25/00418/F and 25/00486/LB – The Manor Hotel, Northampton Road

Restoration and extension of Rupert's Cottage to provide additional guest accommodation and leisure facilities; re-instatement of the former outdoor swimming pool; construction of a new events pavilion; restaurant extension within the Manor's west courtyard; relocation of guest car parking away from the Manor's principal elevation; screening of the existing plant and biomass boiler area; restoration of wider landscape features including the historic moat and bridge.

OCC Transport – objection – reliance on car transport

Archaeology – need more information re excavation for Wedding Barn and Rupert's Cottage.

25/01418/F - Family Farm House, Part Of A34

Driver rest stop facility including the formation of a new entry and exit slip road adjoining the A34, parking area for cars and HGVs, erection of an amenity building (including toilets and catering area), EV charging station, solar PV array, battery storage facility, other ancillary structures/buildings and landscaped amenity area.

Deferred until June 12, 2026 upon request of the National Highways Department. The Strategic Road Network includes the A34 and thus this application has drawn their attention.

Action: DB/Clerk to send appropriate planning replies to Cherwell District Council.

26.439.9 For Discussion: Update on Heyford Park and PFAS awareness group (TR)

The Council discussed the latest position regarding PFAS. TR noted that there had been no response to recent emails and that communication from the PFAS group had become quiet, with the website and associated links no longer appearing to be active.

Testing of two boreholes in the Kirtlington area had identified minimal levels of PFAS. These boreholes were near the Gallos Brook area and were at a greater depth.

The borehole in Weston on the Green has not yet been tested. A company had attended the site and identified an artesian well beneath the area. Testing at nearby Weston Wood/Oddington Grange area was clear. The Gallos Brook watercourse in Weston on the Green has not yet been tested as the water levels are currently relatively low.

Parish Council Meeting Minutes: 5th August 2026

Minutes Approved: Dated.....

26.439.10 Resolution: To Approve: Request from Community Shop Committee for financial support to help fund the external improvement works to the Community shop of up to £1,000.00 (TR/DB)

DB provided an overview of a report regarding the proposed works to the Community Shop. It was clarified that the shop is not a private business operating for individual profit. With support from the Plunkett Foundation, the shop was purchased by members of the community through a community share offer. It is managed as a Community Benefit Society and profits are not distributed to individual shareholders; any trading surplus is to be reinvested into the shop or other community projects. The Council noted the importance of clarifying the legal and community status of the shop.

The Chair of the management committee provided an update on the proposed works required. The first phase would address health and safety and compliance requirements. Following an inspection by the Fire Brigade, an immediate concern was identified regarding the ceiling between the shop and the tenanted property above, which does not currently have the required fire protection. The ceiling will therefore need to be replaced with appropriate fire-resistant materials.

Other works within the shop would be undertaken while it is closed, including levelling the floor. The existing entrance door is very small and does not provide suitable wheelchair or equipment access. It is proposed to create a new entrance using an existing window opening, with a removable ramp to provide wheelchair access; the existing doorway would be bricked up. These works would also improve access for equipment and support future compliance requirements.

The estimated cost of the first phase is less than £10,000 plus VAT, excluding electrical works. The intention is for the works to commence on 15th August 2026. The shop will close for approximately one week, with temporary shop facilities operating from the Village Hall during this period.

A second phase of works will address improvements to the exterior of the building, including repairs to the steps at the front of the shop. It was agreed that a staged approach to the works was appropriate, with health and safety and compliance matters being prioritised.

DB recommended that the Parish Council make a donation of up to £1,000 towards the first phase of works. It was suggested that £865.00 of previously allocated grant funding be utilised, as this funding source can be applied to the works with the remainder being allocated from the Donations budget line.

It was recognised that the Community Shop provides an important service to the village and, in this respect, is another community facility requiring support, alongside other Parish Council responsibilities such as grass cutting and playground maintenance.

The resolution to approve a donation request from the Community Shop Committee for financial support to help fund the required improvement works to the Community Shop of £1,000.00 was proposed by DB and seconded by DW. The motion was supported unanimously by the Council.

The request is in line with the Weston on the Green Parish Council Donations Policy and the Council has used the powers under Section 137 of the Local Government Act in order to grant this donation.

Action: Clerk to obtain banking details for the community shop in order to process the donation payment via the Councillors.

26.439.11 For Information: Update on village works (JM)

The dog bin still requires locating near to The Chequers, MA to send the location discussed to JM.

Action: MA to send location of new dog bin to JM for installation.

JM queried if the Council should lower the selling price of the old community van. Two people have looked at it but there have been no offers, probably because it has done so many miles. The Council agreed to lower the price.

26.439.12 For Information: Update from Traffic Calming Action Group including B430 speed reduction works and potential bus shelters (DB)

B430 Speed Reduction Signs: OCC are enquiring with their contractor over the outstanding signage works on B430.

Resolution: To Approve: a spend of up to £8,000.00 +VAT to purchase two Speed Indicator Devices to be located on B430 as detailed in attached report and quotes (MA)

DB provided an overview of the report provided to Councillors regarding the purchase of speed indicator devices. Three quotes had been reviewed by the traffic calming advisory group; the group agreed that the quote from Messagemaker Displays would be the best option and recommended that the Council approved the spend for two signs to be located on B430.

The locations are to be placed on a map and sent to OCC for review to ensure they do not obstruct road users views.

The Parish Council received grant funding of £6,650.00 from the Thames Valley Police community Fund in 2025 to purchase two SIDs to be located on B430.

The total for two signs purchased from Messagemaker is £7,752.00 +VAT. A spend of up to £8,000.00 will be requested to ensure there is coverage for any unknown additional costs. The remaining amount required (£1,350.00) would be provided from the Traffic Reserves budget line (remaining amount of £6,701.13).

It was confirmed that the warranty on the signs from Messagemaker are covered by a 12 month parts and labour return to factory warranty, six year warranty for VAS speed signs. The quote highlighted that if it is impractical to return the equipment to their factory they are able to perform warranty work on site, but that transport costs to and from the site and specialist access equipment required will be charged for.

The resolution to approve a spend of up to £8,000.00 +VAT to purchase two speed indicator devices to be located on B430 as detailed in attached report and quotes was proposed by DB and seconded by MJ. The motion was supported unanimously by the Council.

Bus shelters:

The implementation of new bus shelters on the B430 is still awaiting approval from a conservation officer at CDC. There have been delays in obtaining this due to holidays and lack of action from CDC. Graham Barnett has been constantly chasing for a response.

Action: Clerk to add bus shelter funding and approval for spend to the September Parish Council meeting agenda.

Bus operator: Graham Barnett, public transport contact with OCC, received the following information regarding public bus service 24.

Service 24 will be passing from operator Red Rose to Thames Travel (part of Go Thames Valley), and there will be some timetable changes. Journeys which start/terminate at Weston on the Green will operate via Heyford Park, and there will be an extra journey on Saturday afternoons. A start date or timetable is not currently available.

A Councillor queried if they would look at adding in a bus stop at the business park on B430. It was noted that Graham could ask the question of OCC.

Action: Clerk to ask Graham Barnett about potential to add in a bus stop at the business park on B430.

26.439.13 Resolution: To Approve Parish Council financial accounts covering Q1 2026-2027 (TR)

TR presented the Parish Council Q1 accounts for financial year 2026/27 following their approval by the finance advisory group. A summary of expenditure in Q1 vs budget, bank reconciliation and income details were provided.

Parish Council Meeting Minutes: 5th August 2026

Minutes Approved: Dated.....

The income for April – June 2026 was £19,656 and included payments received relating to the CDC precept (£14,955), bank interest (£166), refund for road tax (£184) and a donation supporting the running of the community bus (£4,333).

Budgeted expenditure this first quarter (£15,592 including VAT) included speed reduction signage works on B430, grass cutting, playing field maintenance, dog bin emptying, Parish Council insurance, the community bus, audit fees, loan repayment for the playing field and spinney purchase, clerks salary and election costs.

The resolution to approve the Parish Council financial accounts covering Q1 2026-2027 was proposed by TR and seconded by DB. The motion was supported unanimously by the Council.

Action: Clerk to upload the Parish Council Q1 accounts (FY 2026/27) to the Parish Council website.

26.439.14 For Information: List of invoices, donations, standing orders, direct debits paid from Parish Council bank accounts (27th June – 30th July 2026)

The following payments, covering invoices, direct debits and standing orders, from the Parish Council bank accounts for the period 27th June 2026 – 30th July 2026 were noted.

PC Ref	Payment Date	Payee	Purpose	Invoice Total / Amount Paid
SO	29/06/26	Clerk – J Mullane	Clerks pay – June 2026	-
DD	02/07/26	Nest Pensions	Clerks pension contribution – June 2026	-
DD	23/07/26	HMRC	National insurance payments re clerk salary	£189.09
SO	28/07/26	Clerk – J Mullane	Clerks pay – July 2026	-
596	06/07/26	Oxford Edens	Grass cutting 08/06/26 (playground, stocks/Ben Jonson/Church Close corner, playing field)	£765.57
597	06/07/26	JE Miller Services	Supply of new community van, delivery, service & parts, diesel, MOT for original van	£2,766.00
598	06/07/26	JE Miller Engineering	Repair & supply parts for playing field mower (take off broken exhaust, weld up & refit), oil, new battery, electrical engineer to sort out electric solenoid valves	£504.00
599	06/07/26	Graham Barnett	Fuel for community van (Shell)	£70.55
600	06/07/26	Clerk (J Mullane)	Microsoft 365 personal user (Your Software)	£66.99
601	06/07/26	Clerk (J Mullane)	McAfee Total Protection (3 devices)	£12.99

612	RoSPA Play Safety	Annual inspection of playground - July 2026	£114.00	Works/Playground Annual RoSPA Inspection	£120.00
613*	Oxford Edens	Grass cutting 27/07/26 (playground, stocks/Ben Jonson/Church Close corner)	£375.57	Works/Grass Cutting	£1,347.95

* already paid invoice to avoid late payment fee

TR noted that invoice references 604, 607 and 613 had already been paid to avoid late payments fees.

The resolution to approve the invoices detailed in the tables was proposed by TR and seconded by DW. The motion was supported unanimously by the Council.

Action: Clerk to update invoice log with approvals.

Action: Clerk to initiative request for payments from Councillors and ensure payments authorised.

26.439.15 For Information: Oxfordshire County & Cherwell District Councillors updates (OCC & CDC Councillors)

Councillor Faltermeyer (CDC) highlighted the consultation on Movement and Place for Kidlington and surrounding villages which closes on 14th September 2026.

He also noted an unusual response from OCC Highways regarding a planning application to re-open the Blacks Head Inn in Bletchingdon. OCC had requested a parking management plan and trip generation information.

There was no report from Councillor Gordon this month.

Parish Council Meeting Minutes: 5th August 2026

Minutes Approved: Dated.....

26.439.16 Resolution: To Approve the appointment of an independent reviewer of Parish Council accounts for FY 2026-2027 (TR/DB)

Councillor Sinha agreed to be appointed the independent reviewer of the Parish Council accounts for FY 2026/27.

The resolution to approve the appointment of the independent reviewer for the Parish Council accounts for FY 2026-2027 as Councillor Sinha, was proposed by TR and seconded by MJ. The motion was supported unanimously by the Council.

TR to provide an overview of the Parish Council accounting system to AS. The Council thanked AS for undertaking this role.

Action: Clerk/TR to present the financial accounts during FY 2026/27 to Councillor Sinha for review.

The chair requested an extension of time to the meeting, this was approved by all Councillors.

26.439.17 Resolution: To Approve: Grievance policy (DB)

This item was deferred to a future meeting.

Action: Clerk to add the Grievance policy to a future Parish Council meeting agenda.

26.439.18 Resolution: To Approve: Disciplinary policy (DB)

This item was deferred to a future meeting.

Action: Clerk to add the Disciplinary policy to a future Parish Council meeting agenda.

26.439.19 For Discussion: Local Government reorganisation response (DB)

The Council discussed the Government's decision on the proposed unitary authority arrangements, which would place Weston on the Green within the Oxford City area. Concerns were raised regarding the potential implications for housing, green belt/grey belt land, infrastructure, water availability, energy demand and the capacity to fund the services required.

It is clear from the Oxfordshire Growth Commission's plan that most of this need will be created through an increase in commercial development – they have an aim to be a world class area in scientific development, data management (data centres) with connectivity through the old Oxford Cambridge arc.

DB attended a briefing from the Chair of the Growth Commission to the Oxfordshire Neighbourhood Plans Alliance Executive. The discussion was positive about rural areas having distinct needs and character, that Neighbourhood Plans are essential to future planning and negotiation over land use. The chair listened to our concerns about a takeover rather than cooperation and respect and said he would take these concerns to those who needed to hear them – central government specifically.

DB highlighted that we do need to find a way forward. We are in an environment of protest at the decision and this is represented by our MP, Callum Miller and Tim Bearder of OCC. The Council noted that concerns regarding the proposed arrangements are also being raised by local representatives. The Chair of Beckley and Stowood Parish Council has circulated a document which a number of Parish Council's are refining to be clear about costs that we will not take on unless thorough consultation occurs i.e. Judicial Review. The Council agreed that DB can draft a letter that reflects our Council's view and share with Councillors for agreement.

Action: DB to draft a response to Chair of Beckley and Stowood PC on Local Government reorganisation.

26.439.20 Next Parish Council Meeting Date: Wednesday 2nd September 2026, 7.30pm (DB)

Meeting closed: 21.45

Parish Council Meeting Minutes: 5th August 2026

Minutes Approved: Dated.....
