

Speed Indicator Devices Quote

Pandora Technologies - £4145.00 excl. VAT

PTSC 906 Radar speed sign with additional, large 'SLOW DOWN/THANK YOU' message and sad/smiley face £2600.00 + vat each

PTSC 8012 Solar kit at £475.00 + vat per sign.

This offers a 'fit and forget' 24/7 power solution, provided that the solar panel is facing south and is not in major shadow from trees or buildings.

The solar powered signs have an onboard battery which is kept topped up by the solar panel for round the clock use.

Data-logging facility and Windows based traffic statistics software £250.00 + vat per sign

Collected data, such as average traffic volume and average speeds, can then be downloaded via a physical connection to your laptop PC, using the USB lead provided and takes only a few seconds.

Optional Bluetooth module £295.00 + vat per sign.

This offers wireless communication between the sign and your Bluetooth enabled PC, across 30 metres *clear line of sight*.

We pre-program the signs to suit your given speed limit, so once installed, they are ready to simply switch on.

The speed settings can be easily changed by yourselves, should you wish.

PTSC 806 and 806a Spigot bracket system £280.00 + vat each.

Additional PTSC 806 Spigot bracket if required £185.00 + vat each

1 x pair of screw-bands and universal channel clamps £15.00 + vat

Carriage for 1 nbr sign set to Weston on the Green £45.00 + vat

Our PTSC range is designed and manufactured by us, here in the UK, in an ISO 9001 environment and has a **2 year, return-to-base warranty**.

Lead time is typically 10-15 working days from order to despatch.
