

WESTON ON THE GREEN PARISH COUNCIL

26th May 2026 Extraordinary Parish Council Meeting

Agenda Item 26.436.3: B430 Speed Limit Reduction

1. Outline of Project:

Oxfordshire County Council have agreed to progress with the implementation of a reduction in the speed limit on B430 to 30mph, within village gates, and 40mph between the gates and airfield area. The extent of the changes can be seen in the attached maps.

2. Project Costs:

Total cost of signage works plus a 10% OCC admin fee for organising the works: £5,298.87 +VAT

OCC funded the £4,500 for the consultation and application process in 2025.

OCC confirmed that the Parish Council would not be charged for the white lining, that falls to OCC to cover as they redressed the road.

Completion: The project is anticipated to be completed in second week of June.

3. Parish Council Funding:

The Parish Council currently holds £18,650 in the Traffic Reserves budget line to cover the speed limit reduction works and installation of new Speed Indicator Devices (SIDs).

Part of this budget line is protected grant funding from Thames Valley Police for new SIDs (£6,650).

4. Resolution To Approve that Oxfordshire County Council proceed with the speed limit reduction works on B430 (as approved by OCC in October 2025) at a spend of £5,298.87 +VAT
